Dear Sir

We have been using CEIL, EXIDE & CHLORIDE brand batteries and chargers from Chloride batteries S.E Asia Pte Ltd for long period and we are extremely satisfied towards the performance of your battery/Charger so far.

The specifications for the battery and chargers are as per our guidelines and there is no problem found so far.

Chloride Singapore has really done well in terms of after sales service and other value added services to satisfy our needs and commitment towards the customers.

We wish to receive the same kind of service level in near future also.

Wish you all the very best for the future endeavor.

Yours truly,

Tony Ng
