C. Device compatibility?

You can join the AGM through desktops/laptops/smartphones with high speed internet connectivity. For a good audio-video experience, we request you to ensure below mentioned points:

-
- Please verify that you have active speakers connected on your device. Verify that they are not muted. Verify the Volume is loud. Ensure you are able to view local video stored on your system
 - Ensure no other background applications are running

-
- c It is advisable to ensure that your Wi-Fi is not connected to any other device
 - d It is highly recommended that you have stable internet connection. The video may freeze if you are watching the stream in transit (the wireless connection may fluctuate depending on signal strength). The video will improve as your internet connection becomes stable
 - e For seamless user experience, use internet explorer, google chrome or firefox or safari browser
-

D. If you wish to speak at the AGM?

Members who would like to express their views/ask questions during the AGM with regard to the financial statements or any other matter to be placed at the AGM may register themselves as a Speaker by sending their request from their registered email address mentioning their name, DP Id and Client Id / Folio No. and mobile number at cosec@exide.co.in. Such request must reach the Company on or before Thursday, 15th September 2022. Those Members who have registered themselves as a Speaker by 15th September, 2022 and have provided adequate details as mentioned above, will only be allowed to express their views/ask questions during the AGM. Speakers are requested to submit their questions at the time of registration, to enable the Company to respond appropriately.

Selection criteria for choosing a Speaker

- i. The Company reserves the right to restrict the number of questions and number of speakers, as appropriate, to ensure the smooth conduct of the AGM.
- ii. Selection of Speakers would be made considering representation from different geographies, diverse categories / professions / age profiles/ gender and using random selection method.
- iii. Infrastructure, connectivity and speed available at the Speaker's location are essential to ensure smooth interaction.

Our representatives would connect with the shortlisted prospective Speakers to check the infrastructure, bandwidth, internet connectivity (upload and download speed) available at the Speaker's location and to guide them on the further process.
