Limited review report on unaudited quarterly standalone financial results and standalone year-todate financial results of Exide Industries Limited pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 ('Listing Regulations')

To Board of Directors of Exide Industries Limited

- 1. We have reviewed the accompanying Statement of unaudited standalone financial results of Exide Industries Limited ("the Company") for the quarter ended 30 September 2021 and year to date results for the period from 01 April 2021 to 30 September 2021 ("the Statement").
- 2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

The actuarial valuation of these liabilities and assets has been duly certified by the Appointed Actuary and in his opinion the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory Development Authority ('IRDAI') and the Institute of Actuaries of India in concurrence with the IRDAI. The auditors of ELI have relied upon the Appointed Actuary's certificate in this regard during their review of the valuation of these liabilities as contained in the interim financial information of ELI.

Other adjustments for the purpose of preparation of the interim financial information of ELI, as confirmed by the Appointed Actuary, in the Life Insurance business are in accordance with Indian Accounting Standard 104 Insurance Contracts: i) Assessment of contractual liabilities based on classification of contracts into insurance contracts and investment contracts and ii) Grossing up and classification of the Reinsurance Assets.

Our conclusion on the Statement is not modified in respect of the above matter.

Commenting on the Q2FY22 performance - Mr. Subir Chakraborty, MD & CEO, said

The company has delivered strong growth with sales growing at 20% in the second quarter of the current financial year. Both the Automotive and the Industrial SBUs are seeing demand recovery compared to the same quarter previous year and to the previous quarter of the current year. However, gross profit increase was restricted due to unprecedented cost inflation of inputs.

Exide has taken multiple initiatives in the past few quarters which should drive sales and help improve performance. Currently, as an ongoing focus area, sales transformation and cost compression remain the core strategies to improve efficiencies within the company.

Further, as a responsible corporate, Exide is committed to drive positive change in the society and we are constantly taking steps in that direction. In the current challenging times, we have focused on ensuring the safety and well-being of our employees, customers and business partners. During the pandemic, we have initiated multiple COVID-19 relief projects to provide requisite healthcare and nutrition to the weaker sections of the society'.
