

Begin a whole new journey of pride and prosperity with EXIDE NEO.
A new age E-vehicle with smart design, robust body, unmatched
comfort and never-before features.
All this and more, at an attractive price.

EXIDE
NEO
CHALO SHAAN SE

LCD DISPLAY

A rear-view mirror that instantly turns into an LCD display aiding the driver to back-up his vehicle without turning his head back.

REAR VIEW CAMERA

A first-in-category feature that lets the driver back the vehicle effortlessly.

POWERFUL INDICATORS

Bright and audible indicators that ensure a smooth and easy ride all the way.

FULLY COVERED BODY

Entire front portion shielded with high-quality steel for ensuring better impact-resistance.

WORLD-CLASS BATTERY

High-performance, long-lasting battery from EXIDE customised for a hassle-free ride.

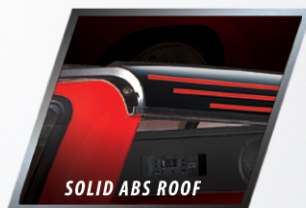

DIGITAL DASHBOARD

Smart LCD instrumentation panel for that added touch of new age style.

COOL FM SYSTEM

Now enjoy music on the go, with a sleek FM system with smooth-sounding speakers.

SOLID ABS ROOF

Hard-top high-grade ABS ceiling instead of soft roof, for greater, all-round safety.

INBUILT MOBILE CHARGER

Simply plug in to the inbuilt charger and never run out of charge in your mobile phone.
