MOTORCYCLE BATTERIES

INDIA MOVES ON **EXIDE**

EXIDE Xtreme is the next generation battery for new age two-wheelers. A factory-charged, zero-maintenance, ready-to-use battery that delivers an extra power-packed performance.

Go ahead. Feel like a king on Indian roads.

- The unique Ca–Ca Alloy ensures a maintenance-free life on Indian road conditions.
- No topping-up within warranty period under normal running conditions.
- The design makes it completely unspillable and is virtually sealed.
- Specially designed, flat type single gang plug allows very easy maintenance.
- Bolted connection eliminates the risk of failure of the soldered wire joints.

TECHNICAL SPECIFICATIONS OF EXIDE XTREME MOTORCYCLE & SCOOTER BATTERIES

Battery Type	Part Number	Capacity (AH) 10HR (REF)	CCA at -18°C as per SAE	Maximum Overall Dimensions (MM)			Nominal Filled Weight (Kg)	Electrolyte Volume (Litres)	Charging Current (A)	Battery Layout

When you return a used battery to any of our authorised dealers, we contribute on your behalf, to UNICEF's Child Environment Programme. It would not only empower the lives of the underprivileged children who are in dire need of water, sanitation and hygiene in schools, your contribution would help save our environment as well. Lead, a major component in your battery, if not handled responsibly, can harm the environment and our health. Return your used battery and make the world a better place, in more ways than one.
