Attn: Mr. Anirban Chakraborty

Re: Exide Battery

This is to certify that we have been using "EXIDE" brand of batteries supplied by Chloride Batteries South East Asia Pte. Limited, Singapore inside our Crown trucks for last few years in some of our important sites in Malaysia. We are quite satisfied with the performance of the batteries so far

We prefer Exide batteries from Chloride Batteries SE Asia Singapore. It is hoped that CBSEA will appoint an Exide distributor in Malaysia soon.

Thank You.

Regards,

Gavin Kok
