

TPM POLICY

We the members of Exide Industries Ltd. in the pursuit of our core values of Striving for Excellence and Customer Orientation are committed to the issues addressed in this policy. These shall be followed and practiced throughout the organization.

It is the policy of the Company to:

- Develop a sustainable TPM culture across the organization and its upstream and downstream partners.
- Allocate adequate resources for effective implementation of the TPM programme.
- Improve Overall Equipment Effectiveness (OEE) by gradually reducing / eliminating different types of losses.
- Strive for zero breakdowns, zero accidents, zero defects and zero waste.
- Train, involve and empower people to implement TPM practices.
- Create a healthy, safe and clean working environment.
- Establish, implement and maintain effective TPM practices to optimize utilization of available resources.
- Ensure that organizational experience and learning on TPM methodology is managed, shared and utilized to improve operating performance.

This TPM Policy shall be made available to all stakeholders and interested parties.
